Financial Aid Newsletter  
Fall 2022

Welcome to the Fall 2022 Rose-Hulman Financial Aid Newsletter. Each quarter we'll let you know of important dates, news and info.

## **What is Course Program of Study (CPOS)?**

Course Program of Study (CPOS) is a federal and State of Indiana requirement that only courses that count towards a student's program of study (your declared major/minor) be considered when determining federal and State of Indiana financial aid eligibility. Please note for courses to be considered you must have already declared your major and/or minor.

## **What type of financial aid does CPOS impact?**

CPOS only applies to federal and State of Indiana financial aid. This would include Pell Grant, SEOG Grant, Stafford Loans, Parent PLUS Loans, Graduate PLUS Loans, Indiana 21st Century Scholars Grant, Indiana Frank O'Bannon Grant, and State of Indiana Incentive Grants. CPOS does NOT impact eligibility for Rose-Hulman institutional financial aid (e.g., Rose-Hulman Merit Scholarship, Rose-Hulman Endowed Scholarships and Rose-Hulman Grants).

## **How do I know if I am impacted by this rule?**

If your Federal or State aid isn't awarding 100 percent, contact the Financial Aid Office and we can help you determine which courses are impacting your financial aid. Once courses are updated by the Registrar's Office, financial aid will be reevaluated and paid to the student's account.

## NEWS AND INFO

### Free Application for Federal Student Aid (FAFSA®)

Want to be considered for the greatest potential amount of financial aid? We recommend every eligible U.S. citizen or legal resident student submits the FAFSA each year. By submitting a FAFSA, you will be considered for Federal and in some cases State financial aid (for Indiana State residents). It also gives us information about your financial need allowing us to determine your eligibility for a Rose-Hulman Grant.

The FAFSA opens on October 1st each year for the following school year. The FAFSA will open **October 1, 2022 for the 2023-2024** school year. We recommend completing the FAFSA by March 1st each year for the following year and no later than April 15th for Indiana residents.

Didn't submit the FAFSA for the upcoming 2022-2023 school year? **There's still time!** You can still complete the FAFSA to be considered for Federal and need-based aid for the upcoming school year by visiting [www.studentaid.gov](http://www.studentaid.gov)
