

OFFICE OF FINANCIAL AID

2026-2027 Independent Verification Form

STUDENT NAME: _____ **ID#:** _____

Verification is the confirmation through documentation that the information provided on a student's Free Application for Federal Student Aid (FAFSA) is correct. The U.S. Department of Education requires colleges to verify financial and other information on the FAFSA.

If Rose-Hulman makes changes to the FAFSA during the verification process, the Department of Education will use the email on the FAFSA to notify the student/parent of any changes. To clarify information on the FAFSA, Rose-Hulman may request additional information/documentation during the verification process. Please also note that if anyone is listed in the household on the FAFSA but not claimed on your taxes, additional information may be requested.
