

Class of 2023

Placement & Salary Report Overview

As of December 1, 2023

Information contained in this report has been compiled from student-reported data. Offer and salary information for each student has been collected during person-to-person counseling sessions with Career Services staff, and from staff outreach that includes phone calls and emails to students. Some student reports have also been collected via a direct website submission form.

Placement Categories and Definitions:

Employed:	Students have accepted professional positions using their Rose-Hulman degree
Attending Grad School:	Students have been accepted into a program at an institute of higher learning
Military Commitments:	Students have commissioned to full-time, active-duty positions within one of the four branches of the military
Not Actively Looking:	Some students make a conscious choice to delay their job search. examples of reasons include travel, medical issues, or family needs
Returning Home:	International students indicate they will be returning to their country of citizenship instead of pursuing positions post-graduation
Internship:	Students who accept temporary positions that have fixed end dates
Rescinded:	Refers to students who had accepted an offer, and at no fault of their own, that offer was pulled by the employer
Still Available:	Students who have not secured a post-graduate opportunity but are actively searching

2023 Placement Summary

December 1, 2023

**Total # of
Students: 371**

**Overall
Placement: 99%**

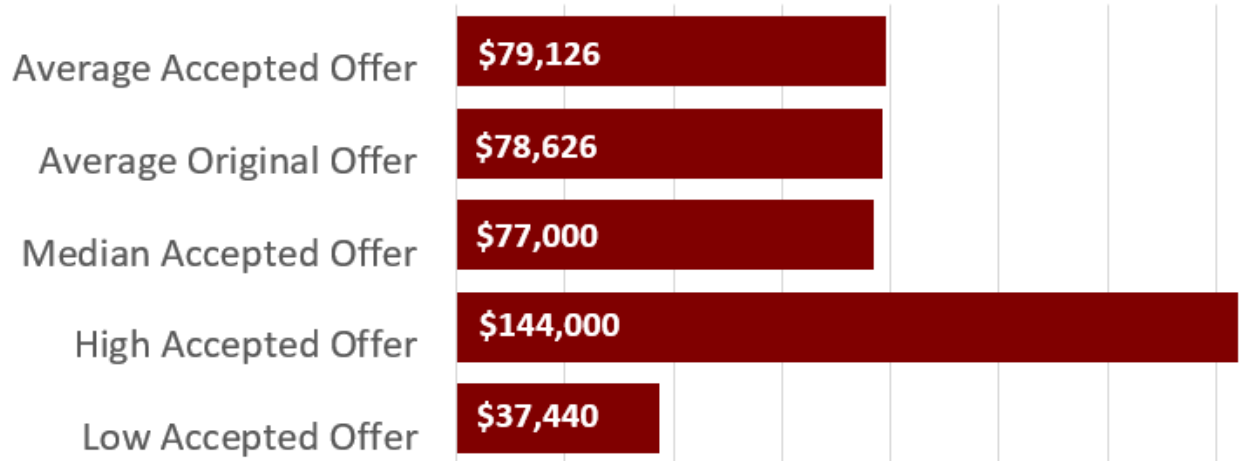

Accepted job and grad school offers represent 32 states, Washington DC, Australia, China, England, Germany, Hong Kong, Italy, and Saudi Arabia

Employed	289
Attending Grad School	59
Military Commitments	4
Not Actively Looking	5
Returning Home	5
Internship	2
Rescinded	2
Still Available	5

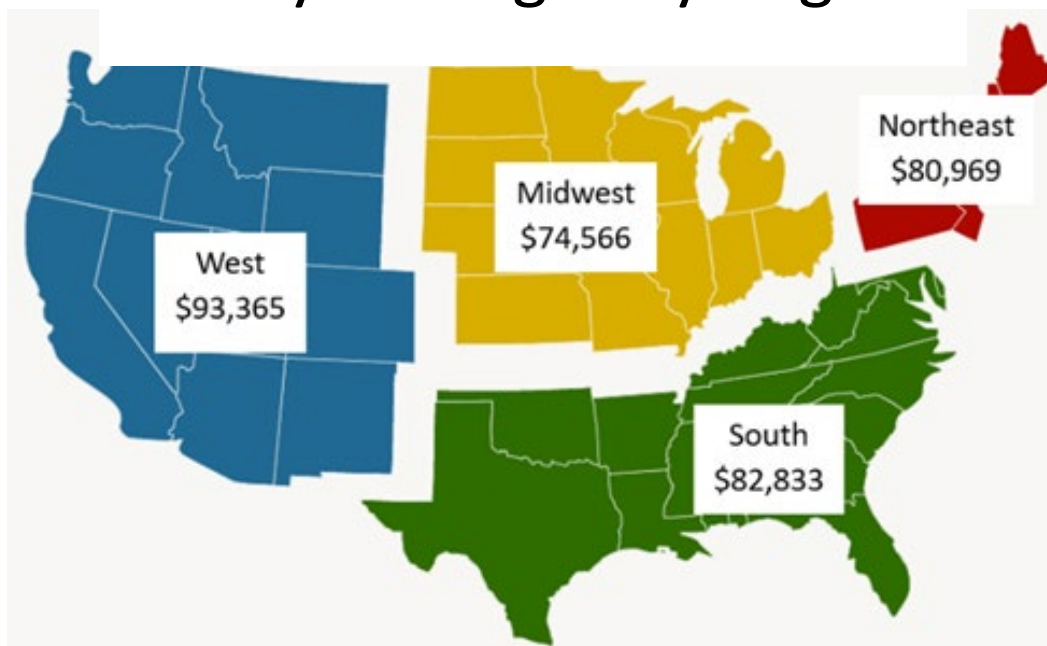

For a more in-depth look at placement and salary averages, please request a summary report for each major you would like to see.

2023 Salary Summary

December 1, 2023

Salary Averages by Region

Class of 2023

Placement & Salary Overview for the Physical Sciences (Biochemistry, Chemistry, Physics)

**The following data is representative of all physical sciences and is not included in the overall placement data. The numbers in the individual biochemistry, chemistry, physics sheets are included in the aggregate.*

Total Students = 11

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	4
Attending Grad School	4
Military Commitments	0
Not Actively Looking	1
Returning Home	1
Internship	1
Still Available	0

Average Accepted Offer

\$63,006

Average Original Offer

\$63,006

Median Accepted Offer

\$60,000

High Accepted Offer

\$70,019

Low Accepted Offer

\$59,000

Companies Employing:

Aristocrat Gaming, Cargill, Inc., Scientia LLC

Graduate Schools Chosen:

IUPUI-Fort Wayne, Purdue University, University of Cincinnati

Class of 2023

Placement & Salary Overview for Biochemistry

Total Students = 3

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	0
Attending Grad School	3
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Starting Salary Summary:

None

Companies Employing:

None

Graduate Schools Chosen:

IUPUI-Medical School, Purdue University, University of Cincinnati

Class of 2023

Placement & Salary Overview for Biology

Total Students = 4

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	1
Attending Grad School	3
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Starting Salary Summary:

To maintain confidentiality, we cannot disclose salary data

Companies Employing:

LabCorp

Graduate Schools Chosen:

Johns Hopkins University, University of Iowa

Class of 2023

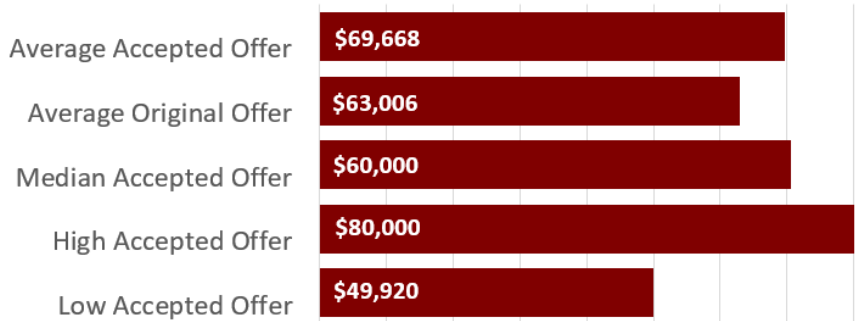

Placement & Salary Overview for Biomedical Engineering

Total Students = 29

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	22
Attending Grad School	5
Military Commitments	0
Not Actively Looking	1
Returning Home	1
Internship	0
Still Available	0

Companies Employing:

Abbott Laboratories, BAE Systems, Boston Scientific, CAI Inc., Cook Medical, Eli Lilly, Epic Systems, FM Global Insurance, GMI Corporation, Kimball Electronics, Lockheed Martin, Micropulse, Modality Solutions, Nexxt Spine, Paustenbach & Associates, Performance Validation, Siemens Healthcare Diagnostics USA, Tangible Solutions, Verista Inc.

Graduate Schools Chosen:

Cleveland State University, Northwestern University, University of California-Irvine, Rose-Hulman Institute of Technology

Class of 2023

Placement & Salary Overview for Chemical Engineering

Total Students = 26

Placement = 96%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	21
Attending Grad School	3
Military Commitments	1
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	1

Average Accepted Offer

\$82,650

Average Original Offer

\$78,794

Median Accepted Offer

\$78,500

High Accepted Offer

\$107,000

Low Accepted Offer

\$55,000

Companies Employing:

Air Liquide Advanced Materials, Aqua-Aerobic Systems, Archer Daniels Midland, Belden, Colorcon, Deloitte, Eli Lilly, ExxonMobil, Heritage Environmental Services, Honeywell UOP, International Paper, Jacobs Engineering, Joint Warfare Analysis Center, Madison Chemical Marathon Petroleum, Novo Nordisk, Raybestos Powertrain, Wabash Valley Resources

Graduate Schools Chosen:

Clemson University, Texas A&M, University at Buffalo

Class of 2023

Placement & Salary Overview for Chemistry

Total Students = 4

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	2
Attending Grad School	0
Military Commitments	0
Not Actively Looking	1
Returning Home	0
Internship	1
Still Available	0

Starting Salary Summary:

To maintain confidentiality, we cannot disclose salary data

Companies Employing:

Cargill, Inc., Midwest Compliance Laboratories

Graduate Schools Chosen:

none

Class of 2023

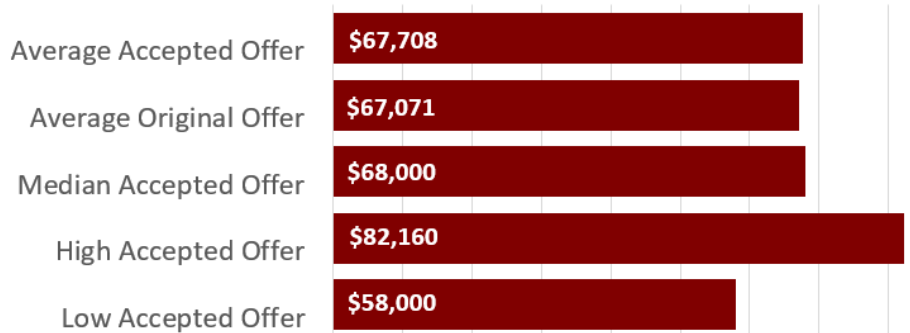

Placement & Salary Overview for Civil Engineering

Total Students = 19

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	15
Attending Grad School	3
Military Commitments	1
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Companies Employing:

American Structurepoint, Bledsoe, Riggert, Cooper & James, Bowen Engineering, CHA Consulting, Corradino, Dynamic Earth, F.A. Wilhelm Construction, Hanson Professional Services, Kiewit, Kimley-Horn and Associates, KPFF Consulting Engineers, RQAW, Thompson Thrift Construction, TRLS Engineering, United Consulting

Graduate Schools Chosen:

Rose-Hulman Institute of Technology, University of Texas-Austin

Class of 2023

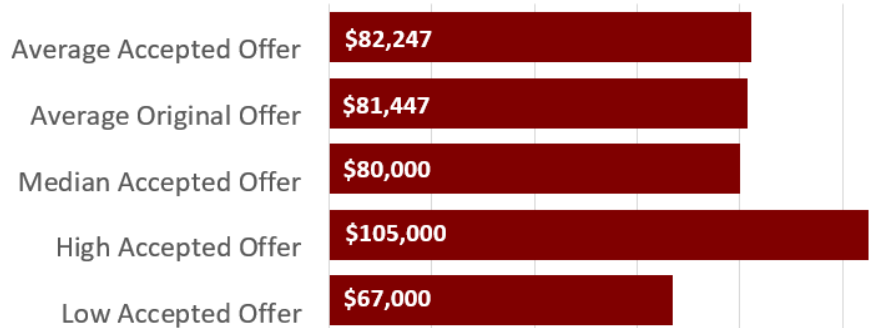

Placement & Salary Overview for Computer Engineering

Total Students = 30

Placement = 97%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	23
Attending Grad School	5
Military Commitments	0
Not Actively Looking	1
Returning Home	0
Internship	0
Still Available/Rescinded	1

Companies Employing:

Alligion, Allison Transmission, Breakers Unlimited, Caesar Creek Software, Crown Equipment, Data Centric Solutions, General Motors, Kratos Defense and Security Solutions, Lexmark International, Mercury Defense Systems, Microchip Technology, NASK, Naval Surface Warfare Center, North American Lighting, Northrop Grumman, Plexus, Q-Mation-Wonderware North, Silicon Labs, Texas Instruments

Graduate Schools Chosen:

California Polytechnic State University, Georgia Institute of Technology, Rose-Hulman Institute of Technology

Class of 2023

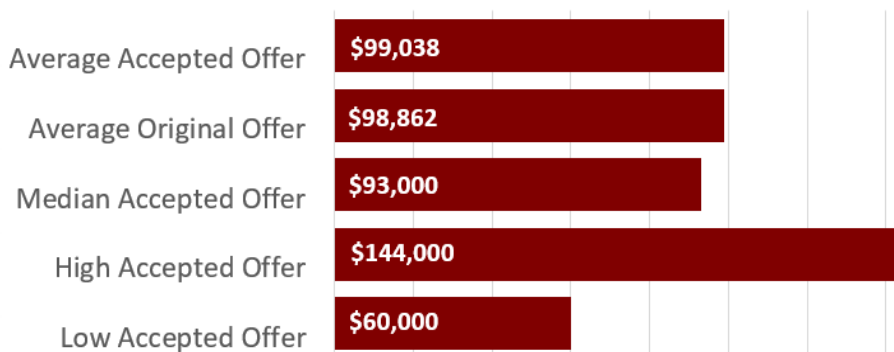

Placement & Salary Overview for Computer Science

Total Students = 57

Placement = 93%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	44
Attending Grad School	7
Military Commitments	1
Not Actively Looking	0
Returning Home	0
Internship	1
Still Available/Rescinded	4

Companies Employing:

Amazon, Avande, Battelle Memorial Institute, Beaconfire, Capital One, Caterpillar, Chrisman-Scotland Junior High School, Counterpart, DMC, Edgile, EMP Tech Group, EMQ, Endress+Hauser, Epic Systems, F5 Networks, Google, KAR Global, Kratos Defense and Security Solutions, L3Harris Technologies, Mathnasium, Microsoft, MIT Lincoln Laboratory, myhELO, Northrop Grumman, Qualcomm, Resultant, Safeguard Sentinel Occupational Safety, Signature Performance, Software Engineering Professionals, Toyota Motor North America, UDig, Vantage Risk, Viavi Solutions, Vody, X by 2, X Energy

Graduate Schools Chosen:

Duke University, Stevens University, University College London, University of California-Berkeley, University of Sydney

Class of 2023

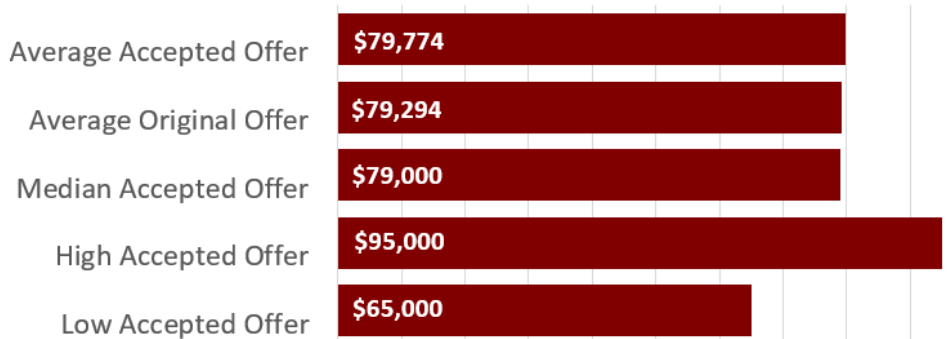

Placement & Salary Overview for Electrical Engineering

Total Students = 28

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	19
Attending Grad School	8
Military Commitments	0
Not Actively Looking	1
Returning Home	0
Internship	0
Still Available	0

Companies Employing:

BorgWarner, Collins Aerospace, Control Solutions, Deere & Company, Department of Defense, Eli Lilly, Indesign, Johns Hopkins University Applied Physics Laboratory, Marathon Petroleum, MISO Energy, NASK, North American Stainless, Raytheon Technologies, Shermco Industries, Texas Instruments

Graduate Schools Chosen:

Florida Institute of Technology, Georgia Institute of Technology, Stevens Institute of Technology, University of Hong Kong, Virginia Tech

Class of 2023

Placement & Salary Overview for Engineering Design

Total Students = 11

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	8
Attending Grad School	2
Military Commitments	0
Not Actively Looking	0
Returning Home	1
Internship	0
Still Available	0

Average Accepted Offer

\$74,833

Average Original Offer

\$74,833

Median Accepted Offer

\$72,000

High Accepted Offer

\$90,000

Low Accepted Offer

\$67,000

Companies Employing:

Endress+Hauser, GE Appliances, Horizon Robotics, ICR Inc., Norgen, Raytheon Missile Systems, Resultant, Therma-Tron-X

Graduate Schools Chosen:

Northwestern University, Politecnico di Milano

Class of 2023

Placement & Salary Overview for Engineering Physics

Total Students = 3

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	1
Attending Grad School	2
Military Commitments	0
