

Class of 2024

Placement & Salary Report Overview

As of December 1, 2024

The information contained in this report has been compiled from student-reported data. Offer and salary information for each student has been collected during person-to-person counseling sessions with Career Services staff, and from staff outreach that includes phone calls and emails to students. Some student reports have also been collected via a direct website submission form.

Placement Categories and Definitions:

Employed:	Students have accepted professional positions using their Rose-Hulman degree
Attending Grad School:	Students have been accepted into a program at an institute of higher learning
Military Commitments:	Students have been commissioned to full-time, active-duty positions within one of the four branches of the military
Not Actively Looking:	Some students make a conscious choice to delay their job search. examples of reasons include travel, medical issues, or family needs
Returning Home:	International students indicate they will be returning to their country of citizenship instead of pursuing positions post-graduation
Internship:	Students who accept temporary positions that have fixed end dates
Rescinded:	Refers to students who had accepted an offer, and at no fault of their own, that offer was pulled by the employer
Still Available:	Students who have not secured a post-graduate opportunity but are actively searching

2024 Placement Summary

December 1, 2024

Total # of Students: 428

Overall Placement: 95%

Accepted job and grad school offers represent 35 states, Washington DC, Australia, Canada, China, Korea, Netherlands and Saudi Arabia

Employed	302
Attending Grad School	97
Military Commitments	2
Not Actively Looking	3
Returning Home	3
Internship	0
Rescinded	0
Still Available	21

For a more in-depth look at placement and salary averages, please request a summary report for each major you would like to see.

2024 Salary Summary

December 1, 2024

Number of Salaries Included: 244

Average Accepted Offer

\$82,817

Average Original Offer

\$82,130

Median Accepted Offer

\$80,000

High Accepted Offer

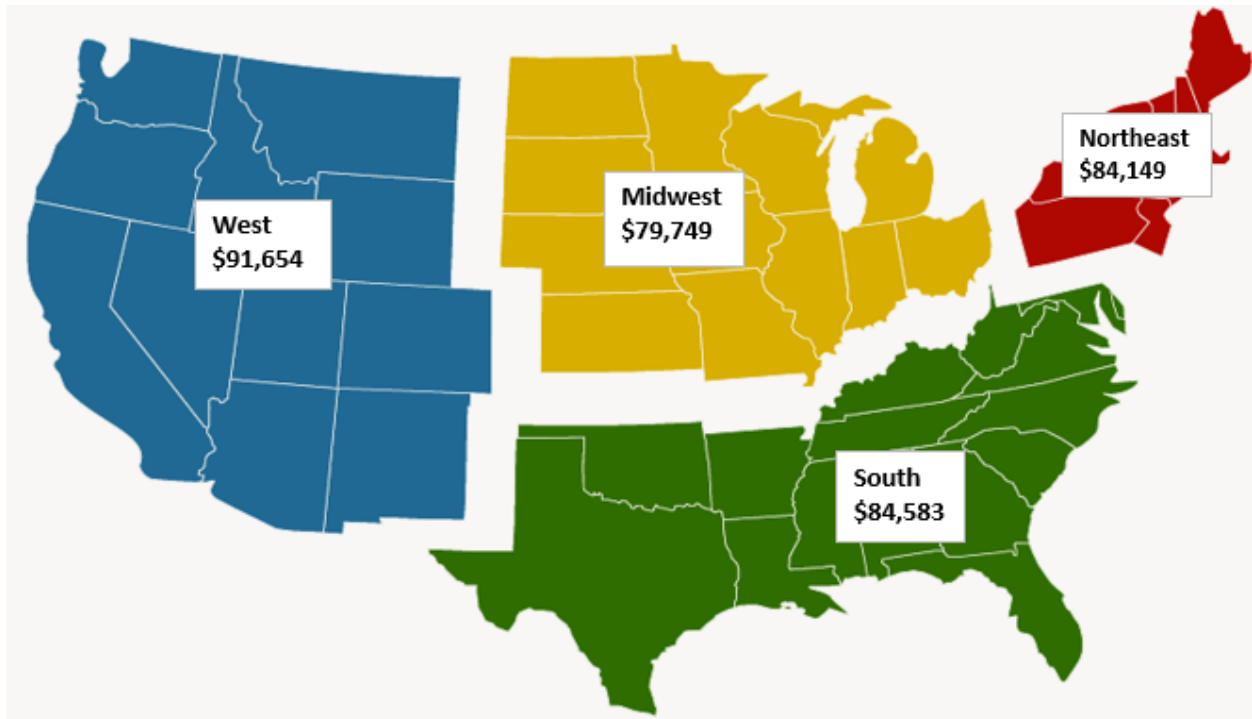

\$135,000

Low Accepted Offer

\$50,000

*Actual highest offer across all majors was \$158,000, but it was not accepted.

Salary Averages by Region

Class of 2024

Placement & Salary Overview for the Physical Sciences (Biochemistry, Chemistry, Physics)

**The following data is representative of all physical sciences and is not included in the overall placement data. The numbers in the individual biochemistry, chemistry, physics sheets are included in the aggregate.*

Total Students = 10

Placement = 90%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	3
Attending Grad School	6
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	1

Companies Employing:

MIT Lincoln Laboratory, Performance Validation, Vigo County School Corporation

Graduate Schools Chosen:

Colorado School of Mines, MIT Lincoln Laboratory, Notre Dame University, Ohio State University, University of Illinois at Urbana-Champaign, University of Kansas, University of Michigan-Ann Arbor

Class of 2024

Placement & Salary Overview for Biochemistry

Total Students = 2

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	1
Attending Grad School	1
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Starting Salary Summary:

To maintain confidentiality, we cannot disclose salary data

Companies Employing:

Performance Validation

Graduate Schools Chosen:

University of Kansas

Class of 2024

Placement & Salary Overview for Biology

Total Students = 3

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	1
Attending Grad School	2
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Starting Salary Summary:

To maintain confidentiality, we cannot disclose salary data

Companies Employing:

Portland VA Medical Center

Graduate Schools Chosen:

Case Western Reserve University, University of Melbourne

Class of 2024

Placement & Salary Overview for Biomathematics

Total Students = 1

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	1
Attending Grad School	0
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Starting Salary Summary:

To maintain confidentiality, we cannot disclose salary data

Companies Employing:

To maintain confidentiality, we cannot disclose company data

Graduate Schools Chosen:

none

Class of 2024

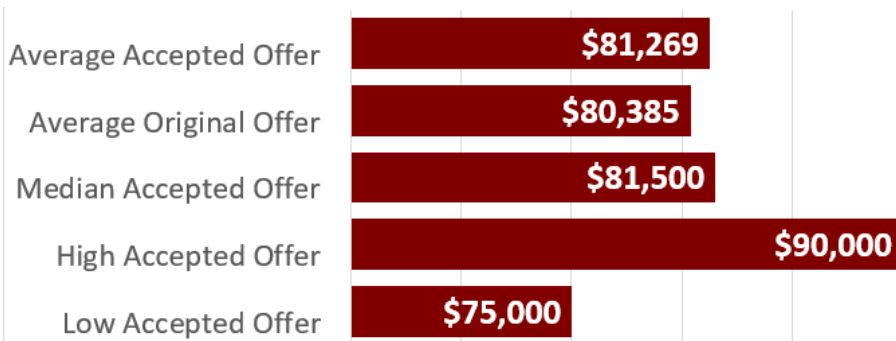

Placement & Salary Overview for Biomedical Engineering

Total Students = 24

Placement = 92%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	15
Attending Grad School	6
Military Commitments	0
Not Actively Looking	0
Returning Home	1
Internship	0
Still Available	2

Companies Employing:

Abbott Laboratories, ALTEN, Boston Scientific, Haskris, Johnson Controls, Medtronic, Paustenbach & Associates, Process Alliance, Yanke Bionics, Zimmer Biomet

Graduate Schools Chosen:

Case Western Reserve University, Indiana State University, Rosalind Franklin University, Rose-Hulman Institute of Technology, University of Connecticut, Wake Forest University

Class of 2024

Placement & Salary Overview for Chemical Engineering

Total Students = 39

Placement = 92%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	25
Attending Grad School	10
Military Commitments	0
Not Actively Looking	1
Returning Home	0
Internship	0
Still Available	3

Average Accepted Offer

\$84,531

Average Original Offer

\$84,364

Median Accepted Offer

\$83,500

High Accepted Offer

\$104,000

Low Accepted Offer

\$68,250

Companies Employing:

Burns & McDonnell, Cambrex, Elanco, Eli Lilly, Endress+Hauser, Evonik, Fitesa Indiana, GMAC, Grain Processing Corporation, Honeywell UOP, Knauf Insulation, Marathon Petroleum, Mars Wrigley, Paustenbach & Associates, PepsiCo, Process Safety & Reliability Group, Procter & Gamble, Savannah River Mission Completion, SNF Holding

Graduate Schools Chosen:

Columbia University, Colorado School of Mines, Hunter College, Princeton, Rose-Hulman Institute of Technology

Class of 2024

Placement & Salary Overview for Chemistry

Total Students = 4

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	1
Attending Grad School	3
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Starting Salary Summary:

To maintain confidentiality, we cannot disclose salary data

Companies Employing:

Vigo County School Corporation

Graduate Schools Chosen:

Colorado School of Mines, Notre Dame University, Ohio State University

Class of 2024

Placement & Salary Overview for Civil Engineering

Total Students = 29

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	21
Attending Grad School	7
Military Commitments	1
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Average Accepted Offer

\$74,482

Average Original Offer

\$74,271

Median Accepted Offer

\$74,000

High Accepted Offer

\$87,100

Low Accepted Offer

\$65,000

Companies Employing:

ARCO, Banning Engineering, Ciorba Group, City of St. Peters, CMT, Inc. Gilbane Building Company, HWC Engineering, Infrastructure Engineering, Jacob and Hefner, Kiewit, Kimley-Horn, Kokosing Industrial, Lochmueller Group, Magnus Engineering, Strand Associates, Thieneman Construction, Tigerbrain Engineering, WGI Engineering, Woolpert

Graduate Schools Chosen:

Rose-Hulman Institute of Technology, University of Illinois at Urbana-Champaign

Class of 2024

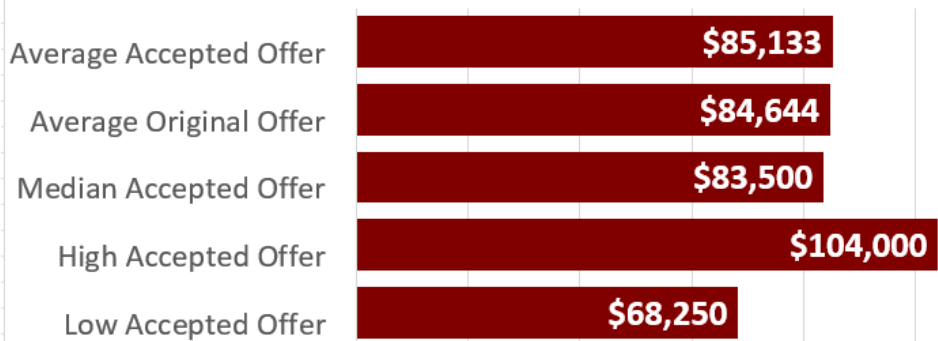

Placement & Salary Overview for Computer Engineering

Total Students = 27

Placement = 85%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	16
Attending Grad School	7
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available/Rescinded	4

*Actual highest offer was \$158,000, but it was not accepted.

Companies Employing:

AIS Gauging, Apple, Bank of America, Edgile, FACTS Engineering, Hanwha Q Cells USA, ICR Inc., Melink, Naval Surface Warfare Center, Northrop Grumman, Pierce Aerospace, Texas Instruments

Graduate Schools Chosen:

Carnegie Mellon, Georgia Institute of Technology, North Carolina State University, Rose-Hulman Institute of Technology, University of Southern California, University of Washington-Seattle

Class of 2024

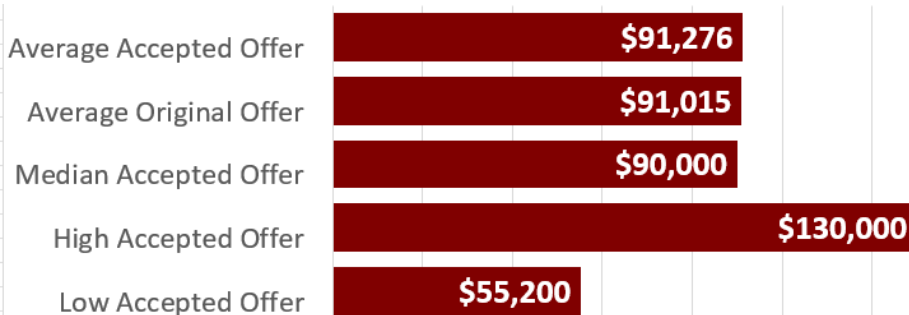

Placement & Salary Overview for Computer Science

Total Students = 95

Placement = 93%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	63
Attending Grad School	23
Military Commitments	0
Not Actively Looking	1
Returning Home	1
Internship	0
Still Available/Rescinded	7

Companies Employing:

Amazon Web Services, Applied Research Lab, BAE Systems, Baker McKenzie, Bank of America, Capital One Financial Corporation, Caterpillar, CME Group, Code Integrity, Collins Aerospace, Deutsche Bank, Discover Financial Services, Doxpop, Drophouse Gen AI, EcoShot, Edgile, Epic Systems, Epirus, Fidelity Investments, First Databank, Flexware Innovation, FloQuest, Fort Wayne Community Schools, GE Appliances, Goldman Sachs, Google, GyanSys, Higher Ground, Leidos, Los Alamos National Laboratory, myhELO, National Security Agency, New Life Technologies, Northrop Grumman, Numerica, PROWARE, Rose-Hulman Ventures, Shenzhen Research Institute of Big Data, SkillStorm, Software Engineering Professionals, State Farm Insurance, Tapestry Solutions, Telecom & Data Inc., Teradyne, Tesla, Thalasso Therapeutics, UDig, United Launch Alliance

Graduate Schools Chosen:

Brown University, Carnegie Mellon University, Colorado School of Mines, Cornell University, Georgia Institute of Technology, KAUST, Northeastern University, Purdue University, Rice University, Rose-Hulman Institute of Technology, University of California-Irvine, University of Illinois, University of Toronto, University of Washington

Class of 2024

Placement & Salary Overview for Economics

Total Students = 1

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	1
Attending Grad School	0
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Starting Salary Summary:

To maintain confidentiality, we cannot disclose salary data

Companies Employing:

To maintain confidentiality, we cannot disclose company data

Graduate Schools Chosen:

none

Class of 2024

Placement & Salary Overview for Electrical Engineering

Total Students = 41

Placement = 98%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	33
Attending Grad School	7
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	1

Companies Employing:

Amentum, Boeing, BoozAllen Hamilton, Caesar Creek Software, Constellation, DEKA Research, Eli Lilly, ENTRUST Solutions Group, GE Appliances, Hoosier Energy REC, ICR Inc., IMEG, Milwaukee Electric Tool, MISO Energy, National Space Intelligence Center, Naval Surface Warfare Center, Northrop Grumman, Raytheon, Reliable MicroSystems, Sargent and Lundy, SSI Technologies, Tesla, Texas Instruments, Wabash Valley Power Alliance, Wessler Engineering

Graduate Schools Chosen:

Boston University, Georgia Institute of Technology, Purdue University, Rose-Hulman, University of Illinois at Urbana-Champaign

Class of 2024

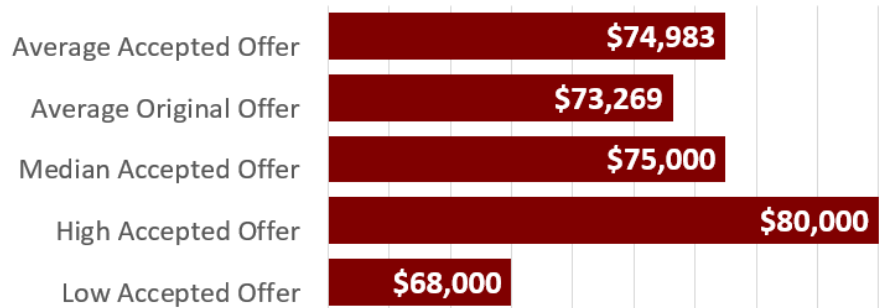

Placement & Salary Overview for Engineering Design

Total Students = 8

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	8
Attending Grad School	0
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Companies Employing:

Abbott Laboratories, AmesburyTruth, Atkore International, Bastian Solutions, Illinois Assistive Technology, Indesign, Jasper Group, SMC Corporation of America

Graduate Schools Chosen:

None

Class of 2024

Placement & Salary Overview for Engineering Physics/NanoEngineering

Total Students = 4

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	4
Attending Grad School	0
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Average Accepted Offer

\$83,207

Average Original Offer

\$82,540

Median Accepted Offer

\$80,000

High Accepted Offer

\$90,000

Low Accepted Offer

\$80,000

Company Employing:

Hewlett Packard Enterprise, Infineon Technologies, Naval Surface Warfare Center, Purdue Applied Research Institute

Graduate Schools Chosen:

None

Class of 2024

Placement & Salary Overview for International Computer Science

Total Students = 2

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	1
Attending Grad School	1
Military Commitments	0
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	0

Starting Salary Summary:

To maintain confidentiality, we cannot disclose salary data

Companies Employing:

Google

Graduate Schools Chosen:

Saint Louis University

Class of 2024

Placement & Salary Overview for Mathematics

Total Students = 8

Placement = 88%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	1
Attending Grad School	5
Military Commitments	0
Not Actively Looking	1
Returning Home	0
Internship	0
Still Available	1

Starting Salary Summary:

To maintain confidentiality, we cannot disclose salary data

Companies Employing:

Edgile

Graduate Schools Chosen:

Georgia Institute of Technology, Indiana State University, Ohio State University, Rose-Hulman Institute of Technology, University of Maryland

Class of 2024

Placement & Salary Overview for Mechanical Engineering

Total Students = 114

Placement = 99%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	93
Attending Grad School	19
Military Commitments	1
Not Actively Looking	0
Returning Home	0
Internship	0
Still Available	1

Average Accepted Offer

\$78,815

Average Original Offer

\$77,982

Median Accepted Offer

\$78,000

High Accepted Offer

\$115,500

Low Accepted Offer

\$55,000

Companies Employing:

Air Force Life Cycle Management Center, Aisin USA, Aqua-Aerobic Systems, ASML US, Atkore International, Bastian Solutions, Belcan, Boeing, Burns and McDonnell, BWX Technologies, Caterpillar, Cleveland Cliffs, CMTA Engineering, Collins Aerospace, Converting Systems, CTS Corporation, Cummins, Deloitte & Touche, DMC, DNV, Dormakaba USA, Electroimpact, Eli Lilly, Envelop Group, Epic Systems, Equipment Technologies, Fenner Precision Polymers, Fogg Filler, Fort Wayne Metals, Fuyao Glass America, General Dynamics, General Motors, Graphic Packaging International, Honda of America Manufacturing, Hormel Foods, Inductotherm, Irwin Seating, James Hardie Building Products, JBT Technologies, Jefferson Industries, Johnson Controls, Kimley-Horn and Associates, Konecranes, Lam Research, Los Alamos National Laboratory, Marathon, Medline Industries, Milwaukee Electric Tool, MIT Lincoln Labs, Modineer Group, Mott MacDonald, Naval Surface Warfare Center, North American Lighting, Olsson, Paragon Metals, Printpack, Raytheon, Reynolds Consumer Products, Ring-Co, Romac Industries, RWS Design & Controls, Schlumberger Technology Corporation, SpaceX, StarPlus Energy, Subaru of Indiana Automotive, Tank Industry Consultants, Team Penske, The Chemours Company, Thinkpath Engineering Services, TMF Center, Toyota, Trane US, Vertiv

Graduate Schools Chosen:

Carnegie Mellon University, Delft University, Georgia Institute of Technology, Korea Advanced Institute of Science & Technology, Northwestern University, Rice University, Rose-Hulman Institute of Technology, Stony Brook University, University of Cincinnati, University of Colorado-Boulder, Washington University-St. Louis, Worcester Polytechnic Institute

Class of 2024

Placement & Salary Overview for Optical Engineering

Total Students = 9

Placement = 100%

These numbers include students who have received offers for employment, have a military commitment and those who are continuing education. It also includes those few who are not actively looking, international students who have returned to their home country and students who are still available.

Employed	6
Attending Grad School	3
Military Commitments	0
