Honesty Pledge – Test 1

Read the following carefully. Turn it in when you complete this test.

1. I understand that the Instructor expects me to be honest on this test.

2. I understand "being honest" includes:

    a. *While I am taking this test, I will not communicate in any way with anyone other than the Instructor or her assistants.*

        - I will not talk with anyone else or exchange information with them during the test.

        - *I will not use email*, *chat* or the like during the test.

    b. *After* taking this test, if I want to communicate with anyone about this test, I will make sure that she has already taken the test. If she has not, I will not communicate with her in any way about the test. No hints, no suggested problems to study, nothing!

    c. For the ***paper-and-pencil*** part, the only external resource allowed is the 1-page (one side only) "hint sheet" that I brought to the test.

    d. For the ***on-the-computer*** part:

        - I may use any printed or hand-written materials that I have brought to the test.

        - I may use anything that I stored on my computer before the test, or that I create during the test.

        - I will *not* use the internet beyond what is allowed – items reachable directly from the CSSE 120 web site (including but not limited to the Session Preparation pages, the course Piazza site, and the official Python documentation), and my SVN repositories.

        - *I will not use any search engine (like Google).*

3. **I understand that if I am NOT honest on this test (i.e., if I violate the above rules), *the normal penalty is an F in the course*, along with possible expulsion from Rose-Hulman.**

4. I understand that if I do NOT do as well on this test as I would like, ***I can discuss with my instructor how best to deal with that.*** In particular, I understand that **my score on Test 2 will *replace* my score on Test 1 if my score on Test 2 is better than my score on Test 1!**

5. *Check one of the following:*

    ☐ ***I agree to the above*** (that is, I understand my instructor's expectations about Academic Honesty for this test)**.**

    ☐ ***I do NOT agree to the above*** (that is, I do NOT understand my instructor's expectations about Academic Honesty for this test) ***and will talk with you [your instructor] privately soon after the test.***

Turn this in when you are FINISHED taking the test.
