

Expectations about *Academic Integrity* on Exam 3

Read the following carefully. Sign it and turn it in when you complete this exam.

1. I understand that the Instructor expects me to be honest on this exam.
2. I understand “being honest” includes:
 - a. ***While I am taking this exam, I will not communicate in any way with anyone other than the Instructor or their assistants.***
 - I will not talk with anyone else or exchange information with them during the exam.
 - ***I will not use email, chat, Microsoft Teams or the like during the exam, except to communicate with my instructor if necessary.***
 - b. ***After*** taking this exam, if I want to communicate with anyone about this exam, I will make sure that they have already taken the exam. If they have not, I will not communicate with them in any way about the exam. No hints, no suggested problems to study, nothing!
 - c. For the ***paper-and-pencil*** part, the only external resource allowed are the three one-sided “hint sheets” that I brought to the exam (plus approved assistive devices and blank paper).
 - d. For the ***on-the-computer*** part:
 - I may use any printed or hand-written materials that I have brought to the exam.
 - I may use anything that I stored on my computer before the exam, or that I create during the exam.
 - I will *not* use the internet beyond what is allowed – GitHub Classroom and my GitHub repositories, and Moodle and/or Gradescope to acquire/ turn-in the exam as directed.
 - ***I will not use any search engine (like Google).***
3. I understand that if I am NOT honest on this exam (i.e., if I violate the above rules), ***the normal penalty is an F in the course, along with possible expulsion from Rose-Hulman.***
4. I understand that if I do NOT do as well on this exam as I would like, ***I can discuss with my instructor how best to deal with that.*** In particular, I understand that ***trend counts, and doing well on a final exam or other exam may mitigate a low score on this exam.***
5. ***Check one of the following:***
 - I agree to the above*** (that is, I understand my instructor’s expectations about Academic Integrity for this exam).
 - I do NOT agree to the above*** (that is, I do NOT understand my instructor’s expectations about Academic Integrity for this exam) ***and will talk with you [your instructor] privately soon after the exam.***
