EC380 Mini Project 4 – PeZ

Work alone for this mini project. You are free to discuss ideas with others. This MATLAB project will be part of your special problem grade for the course, and is part of a sequence of mini projects leading up to a simple communication system.

Approach

Do Lab 11: **PeZ - The z, n, and $\hat{\omega}$ Domains** from the CD-ROM.

Due Date:

This assignment is due Thursday 17-Apr-2003 at the start of class. Turn in a paper copy of the Instructor Verification.
